**Being a Friend**

Friends are cool and friends are **sweet**.
Make friends with people that you **meet**.

I'm your friend and you're mine too.
A friend is someone there for you.

Friends are there to help you out.
That's what friendship is all about.

Together we have so much fun.
You're my friend my number one.

If I'm sad, you make me smile.
For you I'll go the extra mile.

You care for me and you are kind.
A better friend I'll never find.

If something ever troubles you,
Count on me we'll talk it through.

Tell me things you need to say.
If I can help, I'll find a way.

You're my friend. I know you care.
There is good and bad time that we share.

Right by your side I'll always be.
We're friends forever, you and me.
